Modulocube from EuroCave

Modulocube is a folding rack in solid beech, supplied as a kit. It allows you to store your bottles with ease.

Optimal bottle storage

Designed in solid beech to offer optimal strength, Modulocube allows you to get the best use out of your wine storage space. It has been specially designed to store all types of bottles (Bordeaux, Burgundy, Champagne...): no more torn labels, no more badly stored bottles.

Two options are available: you can either store your bottles all together or individually by adding 5 to 6 rows of shelves.

An attractive price

Cost need no longer be a stumbling block to caring for your wine. Modulocube ensures ideal bottle storage at a very attractive price.

A modular system

Starting with one module of this functional system, you can create the storage space you need. Each Modulocube unit allows you to store, in one depth, all types of bottles (up to 50 Bordeaux bottles).

Completely modular, Modulocube allows you to increase your storage capacity by assembling different modules and change the layouts according to your requirements. Modulocube represents the ideal solution for storing your bottles with the possibility of assembling up to three modules on top of one another, whilst guaranteeing complete stability.
